WHAT IS CLAIMED IS:

İ	1. A method of providing advertising services to an entity, comprising th
2	steps of:
3	presenting a question to a user to which advertisements are directed, the
4	question being about a product or service being advertised by the entity;
5	soliciting an answer to the question from the user; and
5	providing an incentive to the user if the user answers the question correctly.
l	2. The method as recited in claim 1, wherein the step of presenting a
2	question further comprises presenting a question about a feature of the product or service
3	being advertised.
l	3. The method as recited in claim 1, wherein the step of soliciting an
2	answer further comprises directing the user to the entity's web page to find the answer to the
3	question.
l	4. The method as recited in claim 1, wherein the step of providing an
2	incentive further comprises providing gaming credits to the user.
l	5. The method as recited in claim 4, further comprising the step of
2	allowing the user to play games online with the gaming credits.
